Diocesan Capital Campaign Feasibility Study

**Make Sure Your
Voice is Heard

TODAY**

[Bishop Kemme wants to hear from you about the diocese's plans for a potential capital campaign.](#)

We need your help to gauge support for the proposed priorities, including salary enhancements for our teachers, a new youth and family camp, additional support to help the underprivileged, funding for parishes to address local needs and resources needed to complete the important work on our Cathedral of the Immaculate Conception.

[Bishop Kemme is asking every family here at Sacred Heart and across the diocese to complete a feasibility study survey to provide their feedback. Please visit \[CatholicDioceseOfWichita.org/Feasibility-Study\]\(http://CatholicDioceseOfWichita.org/Feasibility-Study\) or scan the QR code below with your phone's camera to read the fact sheet and complete the survey. Thank you for your participation in this important initiative and stay tuned for more updates in the coming weeks!](#)

The survey will be available only until 6 p.m. on Friday, March 17. Thanks for your participation!

Fasting

By David Walker, Coordinator of Youth Ministry for the Diocese of Wichita

Fasting is the practice of giving up things (not just food!) in order to put God first. We can look at this in three ways. First, we can give up things that are not good for us; things that pull us away from God (bad habits, negative TV shows, etc.), which will help us to keep the Lord alone as our God. Second, we can give up things that aren't necessarily bad or negative. Giving up something that you like (for example, chocolate) is a way to strengthen your will. Every time we have to say no to ourselves, it should make us think of God. Finally, we can give up things in order to "offer it up" for the good of someone else. Being participants in the Communion of Saints, the Body of Christ, means that we have the opportunity to help one another toward heaven. An offering is like a deposit into a big spiritual "bank", and God can choose to pay forward the grace from our action to someone else in need!

Prayer is, simply put, the turning of our minds and souls to God, who dwells in our hearts. It is a conversation with Him in which we re-center ourselves on Him and His will. We create space for Him by giving of our time to work on the most important relationship we will ever have!

For prayerful reflection:

- What does fasting mean to you? Do you ever fast (outside of Lent)?
- What is the number one thing keeping you from growing in your relationship with God?
- What is one way you will fast this Lent?

SAINT MATILDA

c. 895—March 14, 968

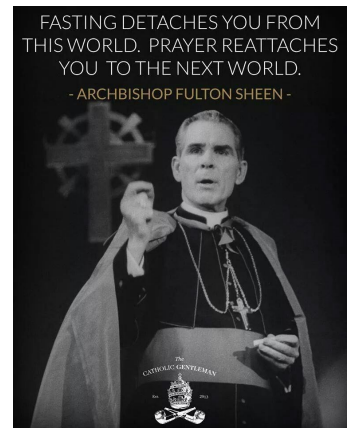

Feast Day: March 14

Patron: Parents, large families, misbehaving children

Reflection: Matilda lived a life of great privilege, but she used her riches selflessly, generously lavishing her abundance on others in need. When I experience abundance, in talents or material things, how do I share them?

Prayer: Saint Matilda, help me to be generous with what I have. Pray that I may give of myself and my possessions with a generous heart as you did. Amen
